FAMILY FUN DAY

Youngsters enjoy a 'Tees Tiger' Canoe polo session

Kajima Community, in partnership with the Education Village and Darlington Borough Council, held the first 'Family Fun Day' at the Education Village on Sunday 14th December. The school was open to the local community with the aim of generating interest in the facilities available, the activities on offer and to promote a healthy lifestyle.

The local community was given the opportunity to 'have a go' for FREE at

a wide variety of sports and activities which are based at the Education Village. Our resident clubs provided free sessions including football and dancing, swimming, martial arts, fitness classes, canoeing and many more.

BIRTHDAY PARTIES

Kajima Community has teamed up with Socatots to provide fantastic Socatots birthday parties at the Education Village for children aged one to five years old.

To comfortably accommodate the number of children attending we have a choice of six community halls which all vary in size allowing enough space for the children to party, enjoy the games and wear themselves out.

Our staff will work with the parents to agree a running order of the games and activities and ensure that a minimum of two Socatots staff attend to make the party a roaring success.

So, what do we provide?

- Party Venue.
- One and a half hour's planned entertainment combining the Socatots syllabus with the more traditional party games your child loves.
- All Socatots equipment available for remainder of party for supervised free play.
- Room and table decorations including table covers, plates, cups, party hats, banners and balloons.
- Invitations - Socatots shaped and pre-printed.
- A birthday card and small gift for the birthday boy/girl.
- Small prizes for some of the party games, e.g. sweets, boxes of raisins, medals.

Optional extras:

- Party food - £3.50 per child - catering includes sandwiches, sausage rolls, crisps, biscuits and plenty of juice!
- A Socatots cake can be ordered with a picture of the Socatots mascot on the icing. Prices vary depending on the size of the cake, but are generally under £15.
- Socatots party bags can be purchased for £1 per child and include a range of goodies.

Of course, the most important thing, the cost!

Although there is a minimum of ten children, the price is the same whether you invite just 10 or the maximum of 25. It's £130 for a whole hassle free two hours of Socatots fun.

The annoying small print... Dates and time are subject to availability and a non-refundable deposit of ten percent is payable at the time of booking. Payment in full will be due one week before the day of the party.

For more information or to make a booking or please call Kajima Community on 0191 260 5336.

FAMILY FUN DAY

The family fun day was a joint venture between Kajima Community, the different groups and clubs within the Village and Year 7 and Year 8 students. On the day the students took the opportunity raise money for their residential, which is taking place in July, by selling baked cakes, raffle tickets, manning a tombola stall and bouncy castle.

Darlington Football Club kindly provided a signed team shirt and ball which were added to the generous donations from Wilkinsons, Boyes, Bounce Leisure and many parents which enabled the students to achieve their goal and gain some impressive selling techniques.

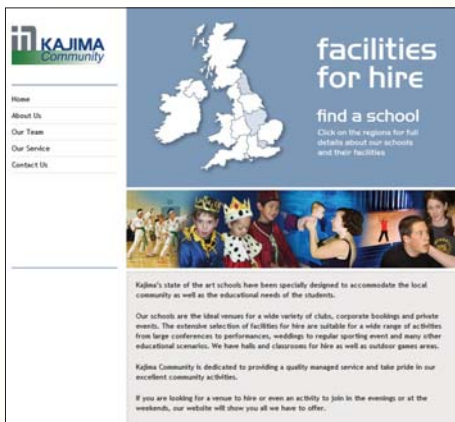

"On the day students raised over £145, which is a great help towards our target. We intend to continue to raise more money and are looking forward to the next event that will be held" - Adele Norris, PE Teacher.

In addition to the sporting activities which took place, various local authority departments provided demonstrations and free information, and local radio station Alpha Radio broadcast live from the Education Village reception. Details of future events can be found at www.kajimacommunity.co.uk
