

SOFT PLAY & INTERACTIVE ROOM

EDUCATION VILLAGE - DARLINGTON

0191 260 5336 or darlington@kajima.co.uk

Description

Soft play

Light and spacious areas for lively and robust play to provide climbing, sliding and jumping experiences. With interestingly designed layouts to create interest.

Interactive room

A quiet, controlled and secluded space, free from interruption or outside disturbance. Different features can be activated individually or in concert by the teacher, the individual or both.

Equipment Available

- Trampoline
- Portable hoist
- Foam padding
- Various specialist equipment which can relax, entertain and stimulate a range of senses including sight, smell, touch and hearing all of which can be easily controlled.
